

Celebrate Engineers Week 2016!

Boston Scientific is proud to host a reception celebrating Engineers week, 2016! Sponsored by the Minnesota Federation of Engineering, Science and Technology Societies (MFESTS), a reception emphasizing the importance of networking and collaboration in the Twin Cities. Representatives from local chapters of national engineering societies will be onsite to offer more information and ways to become more involved in the local engineering community. Heavy appetizers and open bar will also be available.

Date: February 23 @ 5:30 pm – 8:30 pm
Event: Engineers Week 2016 Celebration reception
Location: Boston Scientific's Saint Paul Campus
Building Three, lower level
Innovation Center

You don't have to be an engineer to attend! This event is open to all and will focus on networking and learning more about the robust engineering community within the Twin Cities.
