

2015-2016

Duluth Event – November 4, 2015

Minnesota Geotechnical Society

Site Tour Led by

ASCE Duluth Section Younger Member Group

Join the Younger Member Group of the ASCE Duluth Section for a tour of the Mont Du Lac Recreation 2012 Flood Rehabilitation Project immediately following construction led by design team members.

The tour will start with a Safety Meeting at the main lodge at 4:45 prior to going on site.

Following the tour we will enjoy some appetizers and beverages while we have the chance to network with local professionals.

Appetizers will be provided by the ASCE Duluth Section.

Please RSVP so we have an accurate headcount.

Date: Wednesday November 4, 2015
